Governance & Transparency

(Public-facing)

World STEM Cup Education Foundation operates under a robust governance framework designed to ensure transparency, accountability, and academic integrity.

Governance Structure

- Independent Board of Directors overseeing strategy and compliance
- Executive Director responsible for daily operations
- Academic Council governing academic standards and competition integrity

Academic Integrity

All academic activities are managed independently from donors and sponsors. Competition content and evaluation processes are designed and reviewed by qualified academic experts under strict conflict-of-interest rules.

Financial Transparency

The Foundation:

- Uses funds exclusively for charitable and educational purposes
- Maintains clear financial records
- Complies with grant and donor reporting requirements

Ethics & Compliance

We uphold:

- Conflict of Interest Policy
- Data Protection & Child Safety standards
- Compliance with applicable laws and regulations

Our Commitment

We are committed to building trust with students, educators, partners, and supporters by operating transparently and responsibly at every level.

Governance documents are available upon request.
