

WorldSTEMCup Education Foundation

Organizational Structure

Expanding equitable access to STEM recognition and opportunity for
high school students worldwide

Non-Profit Organization

EXECUTIVE SUMMARY

The World STEM Cup is dedicated to fostering global excellence in Science, Technology, Engineering, and Mathematics. Our organizational structure is designed to support our mission through a robust hierarchy, ensuring effective leadership, operational efficiency, and broad reach. This document outlines the key roles and responsibilities within our esteemed organization.

I. STRATEGIC LEADERSHIP & GOVERNANCE

Board of Directors

- Role: Sets strategic direction, oversees governance, approves major policies, and ensures financial stability. Provides high-level guidance and ensures the organization's mission alignment.
- Reporting To: Stakeholders, Advisory Council.

Executive Director (Founder)

- Role: Acts as the chief executive officer, responsible for overall management and day-to-day operations. Translate the Board's vision into actionable strategies and reports directly to the Board of Directors.
- Provides strategic leadership, represents the organization externally, and ensures alignment between governance, academic integrity, and operations.
- Reports To: Board of Directors.

Scientific Advisory Board (Honorary)

- Role: Provides high-level scientific and academic guidance to ensure global credibility, long-term vision, and intellectual stewardship of the World STEM Cup.
This board is non-operational and advisory in nature.

Composition:

- Distinguished academics from recognized universities
- Senior researchers or thought leaders in STEM education
- Meets 1–2 times per year for strategic academic review
- Purpose: Strengthens institutional trust and assures donors, foundations, and governments of academic stewardship.
- Reports To: Board of Directors (Advisory capacity).

II. DEPARTMENTAL LEADERSHIP & MANAGEMENT

These departments lead their respective functional areas, reporting directly to the Executive Director.

1. Academic Council

- Role: Defines academic standards, curriculum, competition rules, and educational content. Ensures the scientific integrity and educational value of all programs.
- Leads the academic integrity of all competitions. Coordinates international academics, manages question pipelines, and ensures fairness, rigor, and continuous improvement of content.
- Reports To: Executive Director.

2. Country & Competition Operations

- Role: Manages the logistics, execution, and coordination of national and international competitions. Oversees country-specific program implementation and ensures smooth operational flow.
- Responsible for executing competitions at the national level, coordinating with local educators, and ensuring smooth, culturally aligned operations.
- Reports To: Executive Director.

3. Regional Operations Layer Regional Leads (Scalable Structure):

- Europe Regional Lead
- Middle East & Africa Regional Lead
- Asia-Pacific Regional Lead
- Americas Regional Lead

Purpose: Provides scalable operational oversight as the competition expands globally. Ensures regional consistency while respecting local educational contexts.

4. Academic & Ethics Oversight (Advisory)

- Role: Conflict of interest management, Question leakage prevention, Sponsor influence prevention, Appeals / objections framework
- Reports To: Executive Director.
- Ensures independence, transparency, and fairness across all competitions.
- Reports To: Executive Director.

5. Finance & Compliance

- Role: Manages all financial operations, budgeting, accounting, and financial reporting. Ensures compliance with legal, regulatory, and ethical standards across all activities.
- Manages grant compliance, donation tracking, and prepares documentation for audits and board review.
- Reports To: Executive Director.

6. Data Protection & Child Safety Officer

- Role: Ensures compliance with international data protection and child safety regulations, including:
 - GDPR
 - COPPA
 - Student data privacy
 - Online competition safety
 - Audit logs and data handling policies
- Acts as the focal point for data governance and child protection across all digital and in-person activities.
- Reports To: Finance & Compliance.

7. PR / Outreach & Partnerships

- Role: Develops and executes public relations strategies, manages external communications, and fosters strategic partnerships (corporate, academic, governmental). Drives brand awareness and community engagement.
- Builds partnerships with sponsors, foundations, and institutions. Leads grant applications and external communications.
- Reports To: Executive Director.

8. Volunteer & Ambassador Program

- Role: Engages community-driven support through:
- University students
- Educator volunteers
- Alumni ambassadors
- Supports outreach, awareness, and grassroots engagement while maintaining low operational cost and high global reach.

9. Technology & Platform

- Role: Oversees the development, maintenance, and security of all technological infrastructure, including the competition platform, websites, and internal systems. Ensures a seamless digital experience.
- Maintains and evolves the competition platform, ensuring system stability, scalability, security, Data privacy (students), Fair play logs, and Auditability
- Reports To: Executive Director.

III. OPERATIONAL TEAMS & SPECIALISTS

These teams comprise specialists and managers who implement departmental strategies.

1. Academic Department

- Academic Content Director: Leads content development, curriculum design, and academic program quality assurance.
- Subject Editors (Physics, Math, CS, Biology): Develop, review, and refine content specific to their disciplines, ensuring accuracy and relevance.
- International Reviewers: Evaluate submissions, provide feedback, and ensure fairness and consistency in judging across all global participants.

2. Country & Competition Operations Team

- Country Program Managers: Coordinate activities within specific countries, manage local teams, and ensure successful competition execution.
- Local Coordinators / Volunteers (Event-day operations)

3. Finance & Compliance Team

- Finance Officer: Manages daily financial transactions, prepares reports, and assists with budget planning and audits.
- Compliance Officer (Implicit within Finance): Ensures adherence to all relevant laws and internal policies.

4. PR / Outreach & Partnerships Team

- PR Manager: Manages media relations, press releases, social media, and public events.
- Grant Officer: Identifies funding opportunities, writes proposals, and manages grant applications and reporting.

5. Technology & Platform Team

- Technical Lead: Oversees the technical architecture, development processes, and guides the developer team.
- Developers: Design, build, test, and maintain software applications and infrastructure for the World STEM Cup platform.
